

# Siblings Support – Videos Part 1 and 2

*Produced by:*

Disability Sector Training Fund  
North West Disability Training Reference Group  
with the Assistance of Siblings Australia, Inc.

**Video 1:** Kate Strohm, Executive Director of Siblings Australia, talks to parents about what they can do to support their children, while focussing on strengthening the whole family.

**Video 2:** Important tips for service providers to explore what they can do as individuals, with other workers, within their organisations and within the wider community, to improve sibling support.
